At Steel Advantage® every steel product is custom-made to fit your exact specifications. Steel Advantage will measure, fabricate, install and warrant your product. All Steel Advantage® products are custom built locally in our Phoenix factory, using genuine USA steel and local skilled Artisans. You will find our Quality, Durability and Customer Service, second to none!

Every Steel Advantage® steel product includes the longest Warranty and protection in the industry. We feel so confident in the superiority of our product and installation techniques that all of our Steel Advantage® Security products include our Protection Guarantee below.

Home Protection Guarantee, simply states that if your home should ever be broken into through a locked Steel Advantage® security product, Steel Advantage® will not only repair or replace your product at no charge, but will also pay you up to \$1000 against your insurance deductible. (Certain restrictions and exclusions apply. Please see our guarantee certificate listed on the back cover of this brochure)

Designs are shown in this brochure as they would appear on a standard 36" x 80" door. Steel Advantage® reserves the right to change or adjust the design to accommodate doors which are larger or smaller than these standard dimensions.

Self-Installed Doors: Any door style can be made as a Do-It-Yourself product. These doors are pre-assembled to a frame for easy installation and include video installation access on our website. Shipping available. Call for details and prices.

Best Price Guarantee

We at Steel Advantage believe we have quoted you the best available price for your new Security Door, Security Screens, Gate, or other Product lines based on our knowledge of the market and the various competitors in the industry. However, we recognize that from time to time a competitor will attempt to undercut our quote or offer an inferior product to justify a lower price. We want to earn your business and will make the following Best Price Guarantee to you:

We will beat any valid quote on a new Security Door, Security Screens, Gates or other Product lines

By a minimum of \$50 or 5%, whichever is larger, for each product purchased or Give You a \$50 Visa Card if we can't.

The following Stipulations apply:

The competitor's bid must be dated within the last 30 days.

The quote must be for the identical design, made from identical materials, with an identical finish on the product.

The competitor's bid **MUST** be written on a sales form or invoice. Bids on business cards or scraps of paper are invalid.

You (customer) must relinquish the competitor's estimate to your sales rep at the time your new contract is written.
